Rice, Maize and Chickpea IPM Project for East Africa

Annual Review & Planning Meeting

icipe HQs, Nairobi, Kenya, July 24-26, 2018

Arrival to Nairobi on July 23; July 24-25 review and planning meeting; July 26 field visit to Nakuru 160 km from Nairobi; July 27 departure

Activity	Time	Responsible
Day 1: July 24, 2018		Chairman: Dr Tadele Tefera
Registration	8:00-8:30	Diana
Introduction of participants	8:30-8:40	Chairman
Welcoming remarks by icipe	8:40-8:50	Dr Sunday Ekesi, Director of Research & Partnership
Welcoming remarks by IPM Innovation Lab	8:50-9:00	Dr Muniappan Rangaswamy, Director, IPM Innovation Lab, VT
Welcoming remarks by KARLO	9:00-9:10	Dr Lusike Wasliwa, Director Crop Systems, KALRO, Kenya
Welcoming remarks by ARI	9:10-9:20	Dr Charles Chuwa, Centre Director, Tanzania Agricultural Research Institute, Dakawa
Over views of project achievements in 2017/18	9:20-9:40	Dr Tadele Tefera, Rice, Maize and Chickpea IPM for East Africa Project Leader
Kenya		Chairman: Dr Charles Chuwa
Maize stem borers IPM in Kenya	9:40-9:00	Dr Paddy Likhayo, KARLO
Distribution, damage and preliminary biology of fall armyworm in Kenya	9:00-10:20	Josephine Wetangula, MSc student, Moi University, Eldoret, Kenya

Discussion (10 min)	10:20-10:30	
Health Break & Group photo	10:30-11:00	Diana and Desalegn
Tanzania		Chairman: Dr Lusike Wasliwa
Maize stem borers and striga management in Tanzania using the push pull technology	11:00-11:20	Nsami Elibariki
Screening and verification of rice varieties against blast, yellow mottle rice virus and blight diseases	11:20-11:40	Dr Charles Chuwa
Discussion (10 min)	11:40-11:50	
		Chairman: Dr Muni
Integrated management of rice blast in Tanzania	11:50-12:10	Ibrahim Hashim, PhD student, Sokoine University of Agriculture
Integrated management of rice stem borers in Tanzania	12:10-12:30	Bonaventure January, PhD student, Sokoine University of Agriculture
Discussion (10 min)	12:30-12:40	
Lunch Break	12:40-1400	
Ethiopia		Chairman: Dr Paddy Likhayo, KARLO
Maize termite IPM in Bako	14:00-14:20	Debela Diro, Bako EIAR
Maize stem borers IPM in Hawassa	14:20-14:40	Birhanu Sisay
Discussion (10 min)	14:40-14:50	
Chickpea wilts, blight and pod borer IPM in East Shoa	14:50-15:10	Asrat Zewdie, Plant pathologist EIAR, Debrezeit
Seasonality, biology and management of chickpea pod borer	15:10-1530	Tarekegn Fite, PhD student
Integrated management of chickpea diseases, Fusarium wilt and Ascochyta blight, in Ethiopia	15:30-15:50	Gezahegn Getaneh, PhD student
Discussion (20 min)	15:50-16:10	

Tea break and end of the day	16:10-16:30	
Day 2 July 25		Chairman: Dr Charles Chuwa, ARI
Developing management options for fall armyworm in Ethiopia	8:30-8:50	Birhanu Sisay, MSc Student, Haramaya University
Pathogenicity of Selected Entomopathogenic Fungi against the Spotted Stem Borer <i>Chilo partellus</i>	8:50-9:10	Denberu Kebede, MSc student, Addis Ababa University
Discussion (10 min)	9:10-9:20	
		Chairman: Dr Girma Demissie
Potential demand for IPM technologies and practices in East Africa	9:20-9:40	Josphat Korir, PhD student, University of Nairobi
PPT technology adoption on pest management, income and nutrition: field evidence from Kenya	9:40-10:00	Dr Menale Kassie, Senior Economist icipe
Discussion 10 min	10:00-10:30	
Tea Break	10:30-11:00	
		Chairman: Nsami Elibariki, In-charge-National Biological Control, Tanzania
Reports on indicators and gender mainstreaming	11:00-11:20	Dr Menale Kassie
Discussion 10 min	11:20-11:30	
		Chairman: Dr Tefera
Maize and Rice Production and IPM Strategy for Control and Management of stem Borer in Tanzania: Baseline survey report	11:30-11:50	Dr Menale Kassie
Communication and outreach	11:50-12:10	Desalegne Tadesse, Communication Expert
Discussion (20 min)	12:10-12:30	

Lunch Break	12:30-14:00	
Budget updates	14:00-14:20	Diana and Josephine
		Chairman: Dr Menale Kassie
General discussions	14:20-16:00	Participants
Tea break and end of the day	16:00-16:30	
Thursday July 26 2018	6:30-15:00	Travel to Nakuru push pull demo sites: Tadele, Paddy and Kigo

Presentation guidelines

1. Introduction (2-3 minutes):
Present a short overview of what the project is and where it takes place within the project country. Also mention project objectives.
2. Progress to date (5-7 minutes):

Discuss any project planning meetings you've held, activities done, partnerships formed, accomplishments so far, and challenges/setbacks.
3. Plans for 2018/19 (5-7 minutes)
