

Feed the Future: Innovation Lab for Integrated Pest Management Trip Report

Country(s) Visited: Cambodia

Dates of Travel: 28-29 May 2018

Travelers' Names and Affiliations:

Lawrence E. Datnoff, LSU
Glen Hartman, USDA-ARS
Dely Gapasin, World Bank, retired
Pepijn Schreinemachers, AVRDC-The World Vegetable Center

Purpose of Trip: IPM Innovation Lab joint meeting of the Technical Advisory Committee and Program Coordinating Committee

Sites Visited: We visited EPIC rice demonstration site at Thom Village and met with a number of farmers and other partners. We also visited the vegetable IPM project demo at CE SAIN at RUA and meet with a number of students and professors conducting the research.

Description of Activities/Observations:

The TAC members provided feedback in the form of comments and recommendations to the ME for each of the IPM IL lab's presentations. We also were able to observe on-going rice and vegetable IPM field trials.

Training Activities Conducted: none

Suggestions, Recommendations, and/or Follow-up Items: See TAC report.
